

Session on Angular-JS by TCS resource persons as part of NITC-TCS MoU activities on 20th September 2018

As part of the NITC-TCS MoU activities, a workshop on **Angular-JS** was conducted by TCS on **20th September, 2018** from **2pm-5pm** in **APJ Abdul Kalam Conference Hall, CSED Building**. The workshop was attended by the fifth and seventh semester B.Tech CSE students as part of the Web Programming course. The course mentor Dr. Anu Mary Chacko introduced the TCS resource persons Rinesh G, Fenin Vithayathil and Dhananjai Pai.

The workshop was well received by the students. Participants enjoyed the session and the feedback was also good. The workshop helped the students to get an industrial perspective on the topic.
