

TCS Workshop on Agile

As part of NITC-TCS MoU activities, an **Agile workshop** was conducted by TCS on **14th February, 2018** from **2-5pm** in **APJ Abdul Kalam Conference Hall, CSED Building**. This was attended by S6-CSE students as part of the Software Engineering Lab.

The Agile Workshop conducted by TCS was well received by the students. Both the facilitators Ms. Sulakshana and Ms. Roopa kept the afternoon session very lively and interactive with games and case studies. Students enjoyed the session well and the feedback was also good.

Both the course faculty Dr. Anu Mary Chacko and Dr. Vinod Pathari attended the complete session and they felt the session was good for getting the industrial feedback on the topic.
