

Department of Computer Science and Engineering

National Institute of Technology Calicut

Minutes of DCC Meeting held on 29th May 2015

Mode : Email

The DCC discussed the requests for contact course from the students listed in the following tables. All the requests have been recommended and forwarded by the respective Faculty Advisors for consideration of the DCC. The students have passed all the courses except the ones indicated in the table. The details of the courses and teachers willing to offer the contact course are also listed below, as two separate cases:

Case 1: Students with only one failed course left to complete the B. Tech programme.

(Eligible as per R9 of the Institute Regulations- 2010)

Sl. No	Name and Roll No.	Course	Faculty willing to offer the contact course, if permitted
1	Thera Bhuvana Chandra (B110589CS)	Theory of Computation (F grade)	Dr. Sudeep.K.S
2	Uyyala Gopi Krishna (B110866CS)	Theory of Computation (F grade)	Dr. Sudeep.K.S
3	S Sachin Sharma (B090377CS)	ZZU194 Value Education (F grade)	Ms. Anu Mary Chacko
4	Sabhavat Ranjit Nayak (B090923CS)	CSU498 Project (F grade)	Mr. Sreenu Naik Bhukya

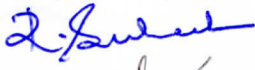

DCC considered the above requests. All the above students have passed in all other courses except one and hence the DCC decided to recommend their requests for contact course for approval by the Dean (Academic).

Case 2: Students with one theory course (with 'F' grade) and one seminar course to complete.

Sl. No	Name	Course	Faculty willing to offer the contact course if permitted
5	K Tejaswini (B090831CS)	CSU303 – Compiler Construction (F grade) CSU 491 – Seminar (not credited)	Ms. Saleena N Dr. Vinod P
6	Aditya Sonker (B090371CS)	CSU305 – Theory of Computation (F grade) CSU491- Seminar (not credited)	Dr. Sudeep.K.S Dr. Vinod P

DCC considered the above requests from K. Tejaswini and Aditya Sonker who have passed in all the courses except one theory course ('F' grade) and the Seminar (1 Cr) which they have not credited yet. These students could not register for the Seminar course in the odd semester, when it was offered, as that would lead them to credit overload (maximum credit limit is 28 credits in the 7th semester, as per the Institute regulations). In the even semester as the course was not offered, they could not credit the course even when they had sufficient credits free. Both these students have completed 6 years of study and would need further extension for completing the course if contact course is not permitted. Considering the above circumstances, DCC decided to recommend the requests as a special case, for consideration by the BOAC and the Senate.

Members Present:

1. K A Abdul Nazeer 
2. Sudeep K S 
3. R. SUBASHINI 
4. Vinod P 
5. Sumesh TA 
6. Priya Chandran 
7. K. Murali Krishna 
8. SREENU NAIK. BHUKYA 
9. Lijija A 
10. Vinodh Patil 
11. Anu Chacko
