DCC Meeting Minutes

Date: 25-07-2024   **Time: 12:00 AM to 01:00 PM**   **Venue: CSED Seminar Hall**

Agenda Items:
1. Ratification of the minutes of the DCC meeting held on 15/07/2024
2. Action Taken Action Pending Report of the last DCC meeting on 15/07/2024
3. Duty allocation for Monsoon Semester 2024-25
4. Special Requests for Registration From S7 & S5
5. Request to conduct contact course for Compiler Design from two B20 students
6. Need for dedicated high computing server for B.Tech students and revamping Athena server
7. Any Other Items

The DCC meeting started at 12:00 AM at CSED Seminar Hall. The chairperson welcomed all members to the meeting.

Agenda Item 1: Ratification of the minutes of the DCC meeting held on 15/07/2024

The DCC ratified the minutes of the DCC meeting held on 15/07/2024.

Agenda Item 2: Action Taken Action Pending Report of the last DCC meeting
Action Taken: Two Agenda items for next BoAC meeting were communicated to DAO

Action pending :NIL.

Agenda Item 3: Duty allocation for Monsoon Semester 2024-25
DCC ratified the duty allocation(Annexure I) for monsoon semester 2024-25.

Agenda Item 4: Special Requests for Registration From S7 & S5
The faculty advisors presented requests (Annexure II) from students for special permission to register for the monsoon semester 2024-25, where there was a deficit of credits required for registration. After a detailed discussion, the DCC recommended all requests except the following:
- Requests from 4th-year students (B21CS) whose deficit credits exceed 30% of the minimum required for registration.
- However, if students from other Departments are permitted to waive this condition, the corresponding institute level decision may be applied to the CSED students as well.

The consolidated table indicating the DCC's recommendations for each request is as follows:

Dr. SUBHASREE M.
Associate Professor & Head
Dept. of Computer Science & Engineering
National Institute of Technology Calicut
NIT Campus (P. O) - 673601, Kerala

29/07/24

Special cases from B21 batch - B.Tech(CSE):

Sl.No.	Roll No.	Name	Semester	Rules Violated	Remarks from FA	Recommendation from DCC
1	B210585CS	Abhishek Kumar	3rd Year (S5)	R8.1 (Need 40 credits but earned only 35 credits)	Availed temporary discontinuation for one year during Monsoon and winter 2022-23	Recommended
2	B210579CS	Tanishq Singh	3 rd Year (S5) - per IMS records	R8.1 (Needs 40 credits but has earned only 29 credits till now)	He applied for special permission last year too, rejected by DCC but approved by Senate. Not a case of temporary discontinuation. Should have been in S7 now.	Recommended
3	B210565CS	SAKET KISHOR THAKUR	3 rd Year (S5) - per IMS records	R8.1 (Needs 40 credits but has earned only 5 credits till now)	He applied for special permission during the last two years. Last year it was rejected by DCC but approved by Senate.Earlier year, it was recommended by DCC & approved by Senate. Not a case of temporary discontinuation. Should have been in S7 now.	Not Recommended, as the stude has attained only five credits in the last six semesters. Also, there is no request from the student.

Dr. SUBHASREE M.
Associate Professor & Head
Dept. of Computer Science & Engineering
National Institute of Technology Calicut
NIT Campus (P. O) - 673601, Kerala

29/07/24

3	B210597CS	VASIMAL LA ENOSH	3 rd Year (S5) - per IMS record s	R8.1 (Needs 40 credits but has earned only 25 credits till now)	He applied for special permission last year too, rejected by DCC but approved by Senate. Took temporary discontinuation for one year during Monsoon and winter 2022-23	There is no request from the student. Hence not considered.
4	B210584CS	NEPALA CHIRUHH ASAN	S6 AS PER THE IMS	R8.1 Needs 65 credits but he has 64 by excluding OT credits	Student and parents are willing for year back to complete backlogs	Recommended to register for S5
5	B210580CS	SHUBHA M CHOUDH URY	S4 As per the IMS	R8.1 (Needs 40 credits but has earned only 28 credits till now)	He applied for special permission last year and approved by the Senate	Recommended.
6	B210596CS	SUDHANS HU RANJAN RAJ	S6 As per IMS	R8.1 (Needs 65 Credits but Earned only 52 credits)	The student has not reported or responded to the FA in this matter.	Not recommended as the student has not raised a any request.

Special Cases from B22 Batch - B Tech(CSE):

Sl. No.	Roll No.	Name	Credits Earned	Remarks	Recommendation by DCC
1.	B220452CS	Pandit Dinesh Sarnath	35 (29 + 6)	R.8 Minimum Requirement to Continue the Programme R.8.1 A student admitted to B Tech/B Arch programme in the first semester can continue up to 8th/10th semester, in the ascending order, subject to the conditions that he/she	Recommended
2.	B220568CS	Tejavath Sai Vignesh Nayak	36 (33 + 3)		Recommended

Dr. SUBHASREE M.
Associate Professor & Head
Dept. of Computer Science & Engineering
National Institute of Technology Calicut
NIT Campus (P, O) - 673601, Kerala

29/07/24

3.	B220507CS	Sajuturu Srikanth	28 (22 + 6)	shall become eligible for registration to (i) 3rd semester, only on earning 15 credits, (ii) **5th semester, only on earning 40 credits,** (iii) 7th semester, only on crediting all 1st level courses and earning 65/70 credits as per the relevant curriculum and (iv) 9th semester, only on crediting all 1st and 2nd level courses and earning 90 credits for B Arch as per the relevant curriculum. When a student fails to satisfy the above mentioned stipulations at any stage, he/she has to **discontinue the programme** and leave the Institute. The credit requirements mentioned above do not include OT courses, which are Pass/Fail courses and are not considered for CGPA calculation.	Recommended
4.	B220139CS	Akash Kumar	36 (30 + 6)		Recommended
5.	B220292CS	Girijith S S	39 (33 + 6)		Recommended
6.	B221015CS	Mir Mustafa Ali Khan	22 (17+5)		Recommended
7.	B221220CS	Siddhi Gaikwad	39 (34 +5)		Recommended

Agenda Item 5: Request to conduct contact course for Compiler Design from two B20 students

Dr. Sumesh T.A. presented requests from two B20CS students, Kulhati Hemanth (B200860CS) (Annexure III) and Prathamesh Shirang Waydande (B200857CS) (Annexure IV), seeking a contact course for Compiler Design (CS3005D).

For Kulhati Hemanth (B200860CS), Compiler Design is the only pending course, and it is a core course scheduled to be offered in Winter 2024-25. However, the student has a history of malpractice in the ReX exam for Compiler Design. According to the ordinances and regulations for B20CS students, there is no provision for contact courses. Due to these reasons, the DCC does not recommend his request for a contact course. However, if there is a similar request from other departments that receives a favorable decision from the authorities, it could be extended to this student as well.

In the case of Prathamesh Shirang Waydande (B200857CS), he has seven pending courses. Therefore, his request cannot be considered as a request for a contact course. Consequently, the DCC does not recommend his request.

Agenda Item 6: Need for dedicated high computing server for B.Tech students and revamping Athena server

Mohammad Saad RafeeQ, the B.Tech representative, presented a request on behalf of the current final-year B.Tech students for the allocation of a GPU server or system. This resource would greatly benefit those working on Deep Learning projects, as many require a GPU server for their final year work. Additionally, he informed the DCC about the underutilized space on the Athena server in SSL and proposed that it be revamped to store datasets and allocate space to students, reducing their reliance on Google Drive.

Dr. SUBHASREE M.
Associate Professor & Head
Dept. of Computer Science & Engineering
National Institute of Technology Calicut
NIT Campus (P. O) - 673601, Kerala

29/07/24

After a brief discussion, the DCC acknowledged the students' needs and directed the representative to submit a proposal including the following details:

1. Information on the students who require GPU facilities for their B.Tech projects.
2. A detailed plan for hiring cloud computing instances, along with a cost estimation.

Agenda Item 7: Any Other Items

1. Space Requirements of CSED

   It was brought to the notice of DCC that multiple faculty members are forced to share their rooms which were not designed as faculty rooms originally due to lack of space in the department. DCC discussed the space constraints of the department and suggested the following:

   - Department may give a request to institute administration to hand over the space allotted to TBI in the Central Computer Centre(CCC) that was promised in 2016.
   - Department may give a request to the institute administration to consider allocation of space in the Main Building for CSED for utilization as faculty offices.

The DCC meeting ended at 01:00 PM on 25-07-2024.

Sub:- About course registration

Respected Sir

       I Abhishek Kumar holding admission no. B210585CS want to inform you that I have Joined B.Tech through online mode in December 2021 and I enrolled into 7 courses and by the end of 1st semester I passed all courses and again for 2nd semester I Joined in offline mode and I enrolled into 8 courses than by the end of 2nd semester I passed in 3 cours and failed in 5 courses due to attendance shortage in 3 course.

After my 2nd semester I took temporary discontinuation due to some medical reason for upcoming 2 semester, then I Joined with B22 Batch to continue my B.Tech degree.

So I Joined in 3rd semester with B22 Batch and I enrolled into 7 courses I which 3 courses was from current semester and other 4 was for 1st year course and by the end of semester I passed all 1st year courses taken in this semester but failed 2 courses from 3rd semester and passed in one. Then I enrolled in 4th semester with 7 course s in which one course was from my 2nd semester and by the end of semester I failed in all course because I have not appeared for my exams because mentally I was not good during that time.

So kindly please allow me to register for the courses So, that I can complete my B.Tech degree and I assure you that I will give my 100% faith and hardwork to get good grade in all upcoming semester.

Thank You

To
Head of the Department (C.S.E)

Subject :- Requesting the support and permission to repeat the Semester break to clear all the backlogs.

Respected Sir

Myself Nepala chiru hhasan bearing roll no Ba10584cs in C.S.E Department at N.I.T Calicut. I am writting this letter to bring to your attention a matter of significa Importance regarding my academic status

Unfortunately because of unstable health condition like Jaundice, and Kidney diseases from the past two Semesters I am not able to attend the classes regularly and not able to attend the classes and complete assignments because of that I got some backlogs, but current circumstances have placed the unpected burder on me and I am not able to complete all the backlog: in the given timeline.

Currently upto 6th Semester I have 7 theor: subjects which are (M3, M4 and Data Structures and Algorithms, DBMS, OS, NTC, TOC) and four labs (LD lab, Hardware lab, D.S.A lab, ML lab) and I am not able to attend the 7th Semester also because of these health Issues Because of that I got more backlogs. and there backlogs are putting the great burden on me to procee further my study career and I am not able to catch up all the classes also. So I am kindly requesting yo

to provide me one semester break Complete all these Subjects. And I will continue my 5th Semester by doing the year back with my junior students such that I can catch up and clear all the Subjects and attend the classes regularly.

I understand the importance of the academic timelines but because of unforeseen circumstance I am not able to move forward and came to this situation but I believe with your understanding, support and assistance I can overcome this situation. I will definetly word hard and Complete all of my backlogs within this repeating break time line. so I am kindly requesting you to provide your support for me It will be very helpful for me to overcome this situation.

Thanking You

yours faithfully
N. Chisu tttoson

Respected Sir,

Sub: **Request for getting special permission to continue the B.Tech Programme in Computer Science and Engineering.**

I have completed my fourth semester and is having only a total of **35 credits (29 + 6(OT))**, due to which I am not eligible for continuing the B.Tech Program in Computer Science and Engineering as per the Clause R.8.1 of "ORDINANCES AND REGULATIONS For Bachelor of Technology (B.Tech.) and Bachelor of Architecture (B.Arch.) Programmes (Applicable to 2019 Admission Onwards)".

I would like to get special permission for allowing me to register for next semester and to continue the program. I have also sketched out a course plan so to complete all my courses by Winter 2026-27.

Please kindly consider my request favourably and allow me to continue my studies and complete my course.

Your's Sincerely,

Respected Sir,

Sub: **Request for getting special permission to continue the B.Tech Programme in Computer Science and Engineering.**

, I have completed my fourth semester and is having only a total of 28 credits (22 + 6(OT)), due to which I am not eligible for continuing the B.Tech Program in Computer Science and Engineering as per the Clause R.8.1 of "ORDINANCES AND REGULATIONS For Bachelor of Technology (B.Tech.) and Bachelor of Architecture (B.Arch.) Programmes (Applicable to 2019 Admission Onwards)".

I am writing to formally request your permission to continue my studies into the next semester. Currently, I am facing a shortfall in credits due to unresolved backlogs. I am committed to improving myself and diligently working towards clearing these academic hurdles. I understand the importance of maintaining academic progress and am taking proactive steps to address my academic challenges. I have developed a structured plan to enhance my study habits, seek additional tutoring where necessary, and dedicate myself fully to overcoming these obstacles. Your permission to continue into the next semester will enable me to demonstrate my academic capability and fulfill all necessary requirements for graduation. I assure you of my utmost dedication and effort in achieving this goal.

Thank you very much for considering my request. I look forward to your positive response and am available at your earliest convenience to discuss any further details or concerns you may have regarding my request.

Your's Sincerely,

Sub: Request for permission to continue next semester

Respected Sir,

       I Mir Mustafa Ali Khan (B221015CS) of Department of compute Science, I am writing this letter to formally request permission to continue my current course despite not meeting the required credits to advance to the next semester . unfortunately, my academic progress has been significantly imparted by unforeseen personal circumstances. Earlier this year, I faced the tragic loss of my father, which required my immediate and prolonged absence from the university. To compound the situation, I was involved in a severe accident that necessitated five months of bed rest and recovery.I Kindly request your understanding and support in allowing me to continue my studies. I am more than willing to provide any necessary documentation or medical reports to substantiate my circumstances .

Yours sincerely,
Mir Mustafa Ali Khan

Subject: Request to continue the program as I have credit shortage.

Respected Sir,

I am Siddhi Gaikwad, B221220CS, CS02. I was having difficulties in the last two semesters as I was suffering from recurring UTI in the 3rd semester and depression in the 4th semester due to which I was unable to focus on my academics. As a result, I have low credits (39 with OT course) currently which does not allow me to continue the program. I request you to allow me to continue the program as I had genuine health reasons earlier and am now completely recovered. I have 12 backlogs including the subjects I had to drop. I will be having to take two additional semester that is 9th and 10th semester to continue and complete the program. I have attached the plan for the next and current semester behind for your reference.

Thanking you in anticipation,

Yours sincerely,

Siddhi Gaikwad.

9892002804

Ms Siddhi Gaikwad has availed two medical condoration in the first two semesters. After that it was mentioned that she has recovered from all the health issues and enrolled in third semester. However, she was unable to attend course properly in her third and fourth semester due to her ill health and secured W grade in many courses. Subsequently she has shortage of credits to enroll in the fifth semester.

Subject: Availing Medical leave and Condonation request

I am Siddhi Sujith Gaikwad, Roll No. B221220CS, Batch B2, of Computer Science and Engineering. I was unable to attend the lectures on 2nd, 6th to 8th, 21st and 22nd December 2022 due to food poisoning, fainting, and I was hospitalized as well. In all the days I missed the classes of Engineering Graphics. As a result, I am having less attendance for the course. I request you to grant me medical leave for the above-mentioned days. The medical certificates are attached for your kind perusal. I also request to sanction my condonation request so that I can attend the Engineering Graphics examination this time.

The student is having health issues. On compassionate grounds, her request can be considered as a special request.

Yours faithfully,

Respected sir,

I am Kulhati Hemanth (B200860Cs), final year Computer Science student. I'm writing this to request for contact course in CS3005D Compiler Design.

I need to complete the Compiler Design Course to graduate. I have finished 156 out of 160 credits, and this course is the last one I need to pass. If I can't take it as contact course, I will have to wait another year to finish the programme. I want to apply for master's programs abroad soon, and to meet the application deadlines, I must finish all my requirements quickly. Please approve my request to take Compiler Design as a contact course So that I can move forward with my plans.

I am committed to completing the course on time. Your understanding and support would mean a lot.

Thank you for considering my request.

Your sincerely

Kuthati Hemanth (B200860CS)

To
The Dean Academic,
NIT Calicut.

Respected Sir,

I am Prathmesh Shrirang Waydande (B200857CS). I have finished 8 semesters of my programme, and I have 7 Course remaining to complete my B Tech programme. But one of these courses is CS3005 compiler Design. Since Compiler Design is offered in the winter semester, I have to spend one semester extra on this course. So, I request to allow contact course for Complier Design so that I can pass all courses in the coming semester (Monsoon 2024-25). I was waiting for the SAY exam results, hence the delay in submitting the request.

The following are the courses remianing to finish my B Tech programme.

1. CS2093D Hardware Lab (3 credits) - **PC**
2. CS3005D Compiler Design (4 credits) - **PC**
3. Lab Elective (3 credits) - **DE**
4. Department Elective(4 credits) - **DE**
5. Department Elective(3 /4 credits) - **DE**
6. Department Elective (3 /4 credits) - **DE**
7. Open Elective (3 Credits) - **OE**

Thanking you

Yours faithfully

Waydande Prathmesh Shrirang
